

A GOOD YEAR FOR EMERGENCY SERVICES LODGE

Bob Nicholls, outgoing WM of Emergency Services Lodge No. 9391 has done a fantastic fund-raising job during his tenure in the Chair. Bob suffered a stroke some years ago yet still ran the Taunton Half Marathon last year, raising sponsorship to the tune of £700 which he presented to St. Margaret's Somerset Hospice.

In addition, Bob's Lodge Ladies' Night was a huge success with 125 people attending a wonderful evening at Oake Manor Golf Club. This enabled him to present cheques for £750 each to the Motor Neurone Disease Association and the Stroke Association.

The brethren of Emergency Services Lodge are very proud and supportive of Bob who is a shining example of achievement despite adversity and a true embodiment of all the Masonic principles.
